Dear Mr. Kervick,

Congratulations on receiving the 2010 Tony Gobar Outstanding Juvenile Justice Specialist Award!

In order to win this award, you have had to excel in service to others, shown a dedication and commitment to improving the juvenile justice system, and have demonstrated compassion for juveniles and their advocates. In your 11 years of work on behalf of this initiative, you have far exceeded these lofty aspirations.

From your integral work on projects like the Nativity Preparatory School, which has given true hope to disadvantaged youth, to the Delaware Girls Initiative, which has placed Delaware in the forefront of gender responsiveness, you have consistently demonstrated that you are profoundly adept at improving the quality of life for our children. Your hard work has been recognized before, namely, when you were selected as the youngest member of the Board of Directors for the National Criminal Justice Association.

This is an amazing accomplishment that you truly deserve. Best of luck as you continue to do your important work in our community.

Sincerely,

Edward E. Kaufman  
United States Senator
